It is a great pleasure to officially welcome MIAHALLEN as the newest member to Team IRONMODS. It was definitely coincidence that brought MIAHALLEN to Team IRONMODS. At the request of Best of Media, Team IRONMODS accepted MIAHALLEN as the 3rd member for the Overdrive Overclocking US Regional Championship.

Even though MIAHALLEN is a relative newcomer to overclocking, he showed his skills and composure during the heated US Regional Championship, and helped Team IRONMODS secure the victory.

During the Finals in Paris, he continued to show his skills and ability to learn quickly. The official invitation was extended to MIAHALLEN in Paris during the Overdrive Overclocking World Championship. MIAHALLEN graciously accepted the invitation to join Team IRONMODS.

We are confident that we will be seeing some great overclocking from MIAHALLEN in the very near future.
